STATINTL  5. (Unclassified - RJK) BRIEFING Joseph Overton Assistant, on the staff of Representative Barry Goldwater, called to request a briefing for the Representative on aspect and internal policies of the People's Republic of China. He briefing take place on either the 23rd or 24th of September i afternoon. I told him I would look into the matter and let him the briefing could be arranged.  OCI, has be sees no problem with responding to the request.	s of the foreign requested the in the late
6. (Unclassified - DFM) LEGISLATION Received Bill Jones, INR/State Department, regarding the Agency's on H. R. 1311. I told Jones that we had not determined how respond to State's request, but that I would raise the issue on his return.	letter to OMB we would
7. (Unclassified - DFM) LEGISLATION Called Bill General Counsel, OMB, regarding the multi-faceted issue of Federal employees' wages. Nichols said a final determined made that Civil Service Commission would draft regulations and that these would be issued following the expected signing Order next week. OMB also expects to have the Justice De	of garnishment nation had been s for all agencies g of the Executive
STATINTL  legislation cleared next week. Nichols believes the only was the Agency's interests in these cases would be to get an exe Act itself, and we agreed that this would be impossible in the climate. Lacking that, he feels the Agency must stress the this issue to its employees so that hopefully the issue will not arise.	emption in the he present political importance of
8. (Unclassified - BAA) INTELLIGENCE BRIEFIN Administrative Assistant to Representative Margaret Heckl called and asked if the briefing scheduled for the Congressy morning at 11:00 a.m. could be changed to later in the after checking with OCI, I notified Rice that our l be in their office at 3:00 p.m. today. This was fine with Ri	er (R., Mass.), woman this noon. After briefer would
